

How to Create an Account on TMFNETWORKS.ORG

STEP 1 Visit <https://tmfnetworks.org/> and follow the steps below.

STEP 2 Click on the orange Create an Account button in the upper right-hand corner of the webpage.

STEP 3 Choose the box with the text that best describes you.

I am a:

- health care provider or staff member at a care setting or facility
- Community-based organization or partner

I am person, patient or family caregiver interested in improving quality of health care.

I am a Medicare beneficiary.
Soy beneficiario de Medicare.

I am a family member or caregiver of a Medicare beneficiary.
Soy familiar o cuidador de un beneficiario de Medicare.

I am an individual and the above categories do not apply to me.
Soy una persona que no pertenece a las categorías indicadas.

If you chose the second box, you will be asked to make an additional selection to further identify your membership type.

STEP 4 Lastly, you will complete a form asking for your contact information and for you to create a password so you can log into your account on TMFNetworks.org. Click the box at the bottom of the form to receive email notifications about new resources, tools and upcoming events, and you're done.
